Book traces origins of Nairobi, former 'green city in the sun'

bi "Green City in the Sun" Beautiful rooms, awesome service and lots of security. This hotel is set about 4 minutes from the airport, it is in an area that is tricky to navigate to, however it is an oasis once inside. You will not regret booking this property.

Green City in the Sun Summary - eNotes.com

Once known as the 'green city in the sun', for the greenery that defined its swampy life, today Nairobi wallows in dirt, all green spaces having ceded ground to an inchoate jungle of concrete. Office blocks, apartments, kiosks and all manner of constructions compete to erase jacarandas, loquats, flame trees and acacias, among others.
