Paper Folding Test—Vz-2-BRACE. In this test you are to imagine the folding and unfolding of pieces of paper. In each problem in the test there are some figures drawn at the left of a vertical line and there are others drawn at the right of the line. The figures at the left represent a square piece of paper being folded, and the last of these figures has one or two small circles drawn on it to show where the paper has been punched.

### **Paper Folding Questions**

In the questions based on Paper Folding and Cutting a few figures are given showing the way in which a piece is to be folded and then cut from a particular section. The dotted line is the reference line along which the paper is to be folded and the arrow indicates the direction of the fold. Thus, these figures indicate the sequence in which the paper is to be folded. The designs from the cut will appear on each one of the folds made on the paper.
