Bing: The Secret History Of World

The Secret World is an interesting and comprehensive account of the History of Intelligence, albeit a bit dry and very very long. There were strange segways in parts of the narrative and abrupt changes in argument. Overall this felt very episodic, and no larger picture was painted, and very few conclusions were drawn.

The Secret History of the World Series by F. Paul Wilson

In this groundbreaking and now famous work, Mark Booth embarks on an enthralling tour of our world's secret histories. Starting from a dangerous premise—that everything we've known about our world's past is corrupted, and that the stories put forward by the various cults and mystery schools throughout history are true—Booth produces nothing short of an alternate history of the past 3,000 years.
