Written in the deep dark days after George W. Bush's first election victory (2004), Al Franken's "The Truth With Jokes" must have been therapeutic for those in the United States who were horrified at the results of his first term and were counting on a Democratic victory to put things right. Franken begins with a dissection of the Republican parties election strategy - Fear! - with extremely sharp wit that certainly puts to shame many of the British Political Comedians I've read, though ...
